## SATURDAY

**Block I: 11:00am - 1:30pm**

### BHERC Classics (A)

A carefully curated group of films that have proven to be some of BHERC's best throughout our history.

### BHERC Debut's (A)

Films that are being screened for the first time in this festival.

### Films For Tomorrow

A special selection of films made and targeted at the young minds of tomorrow. These films will entertain, educate, and inspire our youth.

**Block II: 2:00pm - 4:30pm**

### Films of the Movement

A special selection of films that portray, preserve, and celebrate the importance of the Civil Rights Movement. These films tell the stories that our history books cannot.

### BHERC Classics (B)

A carefully curated group of films that have proven to be some of BHERC's best throughout our history.

### Documentary Den

A selection of moving, heartfelt, and powerful documentary films.

**Block III: 5pm-7:30pm**

### The Compton Cowboy

A screening of a film done entirely with A.I. followed by a discussion held by its filmmaker.

Larry Ulrich, on the impact A.I. is having on the industry. What does this mean for Black stories and how we tell them?

### BHERC 2025 All-Stars

Fan favorite films that have been shown within this year

### BHERC Debut's (B)

Films that are being screened for the first time in this festival.
